The mission of the 2009 Women Mean Business Conference is to empower the women of North Central with skills to help them grow both personally and professionally. During these tough economic times, not all women can afford to attend development workshops like this. If your company is interested in purchasing tickets to donate to women receiving assistance from local non-profit agencies, please contact the NCM Chamber of Commerce.

For more information or to become a sponsor, contact Marissa at (978) 353-7600 x235 or by email at torres@massweb.org
