

North Central Massachusetts Chamber and Resource Management, Inc. Announce Partnership

The North Central Massachusetts Chamber of Commerce and Resource Management, Inc. (RMI) based in Fitchburg, MA are pleased to announce a new partnership that will benefit new and existing members of the Chamber.

RMI is a local Professional Employer Organization (PEO) working with small businesses to provide “one stop shopping” for all of your employment related needs. RMI’s services are bundled to include integrated payroll/tax filing services, employee benefits, “Pay-As-You-Go” workers’ compensation insurance and Human Resource and labor law compliance guidance.

With nearly 5,000 employees under the services of RMI, they are able to cost effectively provide group rates for employee benefits such as dental, health, vision, disability and life insurance, Section 125 as well as 401K retirement savings plan.

The new partnership will provide members of the North Central Chamber of Commerce with discounted services from Resource Management, Inc. For more information regarding this partnership and how your business and employees can benefit, please contact Yasmin Loft at the North Central Massachusetts Chamber of Commerce at 978-353-7600 Ext. 234 or email at loft@massweb.org
