**We're glad to be part of a great community!**

**GP Georgia-Pacific**

**We're Committed to Our Region**

The Leominster Dixie® plant is proud to call north central Massachusetts home, and we're proud to be a good employer and a good neighbor. We have a long history of investing in safety, quality and productivity, and you can find the cutlery we make in places like restaurants and hospitals.

Our employees and our company are committed to serving the community. For example, we work side-by-side during the United Way's Day of Caring to help clean up and restore local schools and homes in disrepair.

## You have a business to run

**We understand what it takes to run a business – because we walk in your shoes.** We know what it's like to pound the pavement, pay the bills and plan for the future. We know the importance of having vendors you can rely on to provide what you need and when you need it.

### The ABM Difference

When it comes to buying insurance, over 500 local businesses, like you, trust Anderson, Bagley & Mayo. We deliver peace of mind in knowing that your business is protected with the right insurance – insurance that meets your business needs without blowing your budget. And when accidents happen or problems arise, we stay by your side, making sure your insurance is working for you, not against you.

Our business is to make running your business a little less complicated.
