### **A WORD FROM THE CEO**

The Chamber Foundation was established in 1985 and has awarded over \$1 million in scholarships to our region's graduating seniors. Each spring students from 27 cities and towns apply for one of the 26 annual scholarships awarded. The North Central region is exceptional in its generosity, investment and commitment to supporting its future leaders. These scholarships recognize local students as they continue their education. We appreciate the support of organizations and individuals who help make these scholarships possible for our graduating seniors.

Thank you to all our sponsors for helping make this event and the scholarship program a success.

***Congratulations to all of our scholarship recipients on this impressive achievement!***

# The HealthAlliance Guild wishes all the 2023 Scholarship Winners all the best in the future!

In 1994 Leominster Hospital Guild merged with Burbank Hospital Guild to create what is now known as the HealthAlliance Guild. Both organizations played a pivotal role in supporting programs and initiatives that provided quality health care within North Central Massachusetts.

The HealthAlliance Guild is a unified non-profit organization whose sole purpose is dedicated to enhancing and supporting patient care at UMass Memorial

HealthAlliance-Clinton

Hospital. The Board of Directors are all volunteers with a vision to enhance wellness in our community by providing financial support and awareness while promoting the mission and goals of the hospital. Becoming a member of the Guild is a great way to help ensure our patients' needs come first!
