A WORD FROM THE CEO

The Chamber Foundation was established in 1985 and has awarded over \$1 million in scholarships to our region's graduating seniors. Each spring, students from 27 cities and towns apply for one of the annual scholarships awarded. The North Central region is exceptional in its generosity, investment and commitment to supporting its future leaders. These scholarships recognize local students as they continue their education. We appreciate the support of organizations and individuals who help make these scholarships possible for our graduating seniors.

Thank you to all our sponsors for helping make this event and the scholarship program a success.

Congratulations to all of our scholarship recipients on this impressive achievement!
