

INVEST IN OUR REGION'S FUTURE

Sponsor a North Central Massachusetts Chamber Foundation Scholarship

MAKE A LASTING IMPACT

For over 40 years, the North Central Massachusetts Chamber Foundation has awarded scholarships to talented students pursuing their educational and career goals. Since the establishment of our scholarship program, we have provided over \$1.2 million in support to more than 700 students from throughout our region.

Help us continue this legacy of impact.

Your scholarship is awarded in your company's name, creating a lasting legacy of support in our community. Whether you name it after your business, your founder, or someone special to you, your impact is recognized and remembered.

WHY SPONSOR A SCHOLARSHIP?

Your \$2,000 scholarship goes 100% toward a student's tuition, fees, and educational expenses. As a sponsor, you'll:

- Opportunity to Present Your Award – Connect with the recipient at our annual Chamber Foundation Scholarship Breakfast
- Serve on Selection Committee (optional) – Help identify the student who aligns with your company's values
- Support Your Community – Position your company as a leader invested in education and workforce development
- Receive Recognition – Featured in the scholarship breakfast program book and press release
- Enjoy a Tax Deduction – Your contribution to support a scholarship is fully tax deductible (The Chamber Foundation is a 501(c)(3) organization)

We offer full scholarship sponsorships (\$2,000) and endowed scholarship options. Partial scholarship contributions are also welcome. Contact us to learn more about creating a lasting legacy for your community.

TWO WAYS TO SUPPORT STUDENTS

TRADITIONAL SCHOLARSHIP PROGRAM

Support high school graduates pursuing four-year college degrees in business, engineering, healthcare, education, and more.

NON-TRADITIONAL SCHOLARSHIP PROGRAM

Support students pursuing trades and vocational training (construction, HVAC, electrical, plumbing, etc.), career changers, and adults returning to education after a career break..

Together, we're building a stronger, more prosperous North Central Massachusetts.
